The Bitterroot is a true rustic American style home. The design features 3 bedrooms, 3.5 baths, and a master suite on the main level. The "open plan" design lives like a home many times its true size. A gracious screened porch creates outdoor opportunities free from insects.

The Bitterroot's earthy exterior is defined by wood siding, timbers, glass, and stone.

Upper Level
804 square feet

Main Level
1,575 square feet

BITTERROOT
2,379 total square feet
