The Elkmont Camp enclave began in early 1900's when individuals bought land to build vacation cottages and gradually evolved into a haven for the socially prominent in what is now The Great Smoky Mountains National Park.

The Elkmont by MossCreek, captures this same spirit of rustic luxury with 3 bedrooms, 2 1/2 baths, with a master on the main level. A large story and a half vaulted Great Room with exposed log trusses and an open Kitchen /Dining Room complete a dramatic interior. Exterior log detailing completes the feel of this modern mountain camp.
