The Pin Oak is one of America's iconic trees. Its strong trunk, and characteristic leaves, create a tree that symbolizes America's historic woodlands.

The Pin Oak by MossCreek symbolizes rustic living in the American landscape. The exterior is rich with natural materials such as stone and wood.

On the interior the Pin Oak features a master suite on the main level along with the well known MossCreek living triangle of open kitchen-dining-great room areas. A large screened outdoor living porch on the rear of home is great for relaxing in the outdoors free from the nuisance of insects. The upper level features two spacious guest rooms and baths.
